

ABOVE GROUND

Our water storage tanks are designed for use in a wide range of applications.

They are not only ideal for domestic bulk liquid storage, but also in various commercial and agricultural storage applications.

We manufacture our tanks from specially developed high quality polyethylene, making them extremely robust yet comparatively lightweight.

500 LITRE HOLDING TANK

Capacity - Litres	500 Litres
Dimensions - mm	L; 1110 X W; 1000 X H; 750
UV Stabilised	✓
Material	MDPE
